COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE

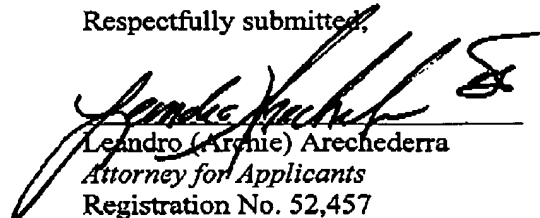

Sir:

In response to the Notice of Allowability of March 16, 2007, Applicant wishes to thank the Examiner for his careful consideration of the application and the indication that the pending claims are allowable. With respect to the reasons for allowance as recited in the Notices of Allowability of December 28, 2006 and March 16, 2007, beginning on pages 3 and 2, respectively, Applicant wishes to clarify for the record that Applicant neither acquiesces nor agrees with the reasons to the extent one would attempt to read any limitation into the claims not affirmatively recited therein and that patentability rests upon the totality of the features as claimed.

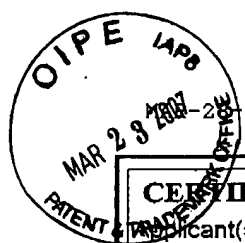

Respectfully submitted,
